**Subject:** Fw: Messages to Residents (Sampling and Water Delivery)

Dawn -- Helen is in the process of developing messages to the residents who may be impacted by our potential response action. (her folks would be making the contact with the eight residents impacted by this action)  
Because you were involved in the tox review, I thought that you may want to look at the draft messages below that Helen and her folks have developed...and provide some comment.  
thx.
